

The image shows the front cover of an antique book. The cover is bound in dark brown leather, visible along the spine on the left and at the corners. The main surface is covered in marbled paper with a repeating pattern of red, blue, and yellow scalloped or 'combed' shapes. A central, vertically oriented, octagonal-shaped label is pasted onto the cover. The label is light-colored and features a large, bold, black letter 'D'. The book shows signs of age, including wear, staining, and some loss of the marbled paper, particularly along the edges and corners.
